CULTURAL SUMMER STUDENTS

Tundra North Tours is an Inuvialuit and Gwich'in owned tour company located in Inuvik, NT. It is our mission to provide visitors from all over the world with an authentic experience of the unique atmosphere and culture of our home in Canada's North. Currently, Tundra North Tours is building Okpik Arctic Village located 16 km outside of Inuvik (accessible by ice road in winter or boat in summer). We are also preparing for multiple tour groups to join us this spring and summer.

This position is all about working with a team in a dynamic environment, trying your hand at many different roles at the Okpik Arctic Village and finding where you thrive. Gain experience in media, woodworking, guiding, fisheries, and on the land cultural programming.

We are looking for students who are eager to learn, can take initiative, and can be adaptable to changing environments and responsibilities. To apply, send us an email telling us a little about yourself, your interests and what you hope to gain from the experience of working with Tundra North Tours at the Okpik Arctic Village.
