LABOUR CREW – JOB DESCRIPTION

Tundra North Tours is an Inuvialuit and Gwich'in owned tour company located in Inuvik, NT. It is our mission to provide visitors from all over the world with an authentic experience of the unique atmosphere and culture of our home in Canada's North. Currently, Tundra North Tours is building Okpik Arctic Village located 16 km outside of Inuvik (accessible by ice road in winter or boat in summer). We are also preparing for multiple tour groups to join us this spring and summer.

The labor crew will be helping with the development of Okpik Arctic Village where the activities will range from clearing brush, debarking logs, milling lumber, building cabins, and general camp maintenance to maintain a clean and orderly facility for our visitors.

Qualifications

- Physical skills like lifting, bending and carrying
- Knowledge of building and construction
- Ability to work well with your hands
- Ability to work well with others
- Physical fitness and endurance
- Ability to use, repair and maintain machines and tools (especially chainsaws and snowmobiles)

Pay - \$18/hour
